

POWER PEAK REWARDS PROGRAM AGREEMENT FOR
POUDRE VALLEY RURAL ELECTRIC ASSOCIATION, INC. MEMBERS

Thank you for your interest in the Power Peak Rewards Program, offered by Poudre Valley Rural Electric Association, Inc. (“PVREA”).

The Power Peak Rewards Program is for residential and small commercial members of PVREA using eligible smart thermostats. As part of the Power Peak Rewards Program, your eligible thermostat will automatically change the temperature setpoint in your home on the event day without any manual intervention by you. At any time that you desire, you may override this temperature setpoint simply by turning your thermostat to a different temperature.

As part of the Power Peak Rewards Program, PVREA will work with eligible thermostat providers (currently including Google Nest and Ecobee) and Virtual Peaker, Inc., PVREA’s demand response management system software provider, to reduce members’ consumption of electricity during times of high usage.

Your agreement to these terms (“Agreement”) gives Google Nest, Ecobee and Virtual Peaker Inc. permission to access and use your energy usage and billing information to enable the Power Peak Rewards Program and enrolls you in the Power Peak Rewards Program, pursuant to the terms and conditions below as well as PVREA’s Tariffs, Fees, Charges, Rules and Regulations. Any additional thermostats installed at your PVREA service address will be automatically enrolled in the Power Peak Rewards Program.

To enroll in the Power Peak Rewards Program, please review these terms and indicate your understanding and agreement below by selecting the appropriate check box.
