

# NOTICE

## TO FORMER OR CURRENT MEMBERS OF POUDRE VALLEY REA

Your Touchstone Energy® Cooperative 

Each year, Poudre Valley REA Board of Directors reviews the Association's financial health, and allots any funds remaining after all expenses are paid. These funds are then allocated to our membership. When the co-op's financial condition permits, your Board of Directors decide to retire, or pay member credits.

In 2022, your co-op paid \$2 million in member credits to members who received service from PVREA for the years 1994, 2005, and 2021, or any combination of those years. In September 2022, current members during the years mentioned above received their credits on their September bill statement. If you were a previous member and had built up at least \$50 worth of credit, your member credit check would have been mailed to you.

Due to not having a valid address on file or not cashing your check, it is possible that you may have unclaimed member credits on file.

Please refer to this list to see if you are owed money from Poudre Valley REA.

**If you see your name or a name you recognize, please contact us. You can call us during business hours at 800.432.1012 option 3. Or email us anytime at [pvreacs@pvrea.coop](mailto:pvreacs@pvrea.coop) and we will respond during business hours.**

Keep us informed when your contact information changes so you can continue to receive member credits after you leave our membership. Changes to your information can be made by contacting us by either method outlined above.

### MEMBER CREDITS

## Get Your Piece of the Pie

Returning \$2  
million back to  
our members
